**ASSIGNMENT**

For good and valuable consideration, receipt of which is acknowledged,

Tomasz W. Glinka,

residing at

Cupertino, California,

I hereby sell, assign and transfer to SCHERING-PLOUGH ANIMAL HEALTH CORPORATION, a corporation organized under the laws of the State of Delaware, having its principal offices at 556 Morris Avenue, Summit, New Jersey 07901, with respect to the United States of America, SCHERING-PLOUGH LTD., a corporation organized under the laws of Switzerland, having its principal office at Weystasse 20, P.O. Box CH-6000, Lucerne 6, Switzerland, with respect to all other countries of the world, except Australia, and SCHERING-PLOUGH PTY. LIMITED, a corporation organized under the laws of Australia, having its principal office at 11 Gibbon Road, Baulkham Hills, New South Wales 2153, Australia, with respect to Australia (each, an "ASSIGNEE" with respect to the identified country(ies)) my entire right, title and interest, in the respective country(ies) of the world:

in and to any and all of my invention(s) and discovery(ies) described in the patent application, entitled

**WATER-SOLUBLE PRODRUGS OF CHLORAMPHENICOL,  
THIAMPHENICOL, AND ANALOGS THEREOF**

and officially identified\* by the United States Patent and Trademark Office as, Application Number 11/953,972 filed on December 11, 2007 and/or by the World Intellectual Property Organization as International Patent Application Number US2007/025319 filed on December 11, 2007; in and to the right to file patent applications in the name of the respective **ASSIGNEE**, its designee, or in my name, at such ASSIGNEE's election, on the aforesaid invention(s) and discovery(ies) in the country(ies) of the world it selects, together with any or all rights of priority in the aforesaid countries deriving from the above-identified patent application under the International Convention for the Protection of Industrial Property, under the Inter-

American Convention relating to Inventions, Patents, Designs and Industrial Models, and/or under any other international arrangement to which the United States now is, or hereafter becomes, a signatory; in and to any and all Letters Patent that issue on any of the aforesaid patent applications; in and to any and all applications claiming priority benefits from one or more provisional patent or other applications filed on said invention(s) and discovery(ies); and in and to any and all continuations, continuations-in-part, divisions, reissues, re-examinations, confirmations, additions, registrations, renewals, and revivals of any of said Letters Patent, and any and all extensions and supplementary protection certificates based thereon, the same to be held and enjoyed by each respective **ASSIGNEE**, its successors, assigns and other legal representatives, to the full ends of the terms for which a Letters Patent therefor and any extensions and supplementary protection certificates based thereon may be granted, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

And I hereby covenant and agree that I will at any time, upon the request and at the expense of any **ASSIGNEE(S)**, execute and deliver any and all documents that may be necessary or desirable to perfect the title to the foregoing invention(s) and discovery(ies), patent application(s), and Letters Patent, and any continuations, continuations-in-part, divisions, reissues, re-examinations, confirmations, additions, registrations, renewals, and revivals thereof, and any extensions and supplementary protection certificates based thereon, in the respective **ASSIGNEE(S)**, its/their successors, assigns and/or other legal representatives, including the execution and procurement of any and all further documents evidencing this assignment and sale as may be necessary or desirable for recording the same in the Patent Office of any country(ies) concerned, and that I will, at any time, upon the request and at the expense of **ASSIGNEE(S)**, execute any additional, continuation, continuation-in-part, divisional, reissue or re-examination applications for patents for said invention(s) and discovery(ies), or any part or parts thereof, and applications for confirmation, registration, addition, renewal, revival, importation, extension and/or supplementary protection certificate based on said Letters Patent, and on Letters Patent issuing from said additional, continuation, continuation-in-part or divisional applications and reissues, re-examinations, registrations, additions, renewals and revivals thereof, and will make

all rightful oaths and declarations and do all lawful acts requisite for procuring the same or for aiding therein, without further compensation, but at the expense of the respective **ASSIGNEE(S)**, its/their successors, assigns and/or other legal representatives.

\*I hereby authorize any **ASSIGNEE** to insert in this instrument the Application Number and the filing date of said application for Letters Patent when officially notified thereof.

Executed this 27 day of February, 2008.

Tomasz W. Glinka  L.S.
