PATENT ASSIGNMENT AGREEMENT

This Patent Assignment Agreement (the "Agreement") is made on September 1, 2005 (the "Effective Date"), by and between Sanofi-Aventis, a French corporation with its principal place of business located at 174, avenue de France, 75013 Paris, France, (the "Assignor") and The Procter & Gamble Company, a corporation organized and existing under the laws of Ohio with its principal offices at One Procter & Gamble Plaza, Cincinnati, Ohio 45202, USA (the "Assignee"). The Assignor and the Assignee are individually referred to as a "Party" and collectively as the "Parties".

Unless otherwise indicated, all capitalized terms used but not specifically defined herein shall have the meaning ascribed to them in the Master Agreement (as defined below).

WITNESSETH:

WHEREAS, the Assignee and Assignor have entered into an asset purchase agreement dated as of May 19, 2005 (the "Master Agreement"), pursuant to which Assignor is to assign and cause its Relevant Affiliates to assign to Assignee, Assignor's and its Relevant Affiliates' right, title and interest in and to the Transferred Patents and Assignee is to purchase all of Assignor's and Assignor's Relevant Affiliates' right, title and interest in and to the Transferred Patents.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements contained herein, the Parties hereto, intending to be legally bound, hereby agree as follows:

1. Pursuant to, in accordance with and subject to the terms and limitations of the Master Agreement, Assignor hereby sells, assigns, conveys, transfers and delivers to Assignee all of its right, title and interest in and to the Transferred Patents together with the goodwill associated therewith, the right to recover damages and profits and all other remedies for past infringements, and all other rights, privileges and benefits contained therein and pertaining thereto. The Parties have separately agreed on the purchase price for the Transferred Patents.

2. Pursuant to, in accordance with and subject to the terms and limitations of the Master Agreement, Assignor hereby covenants that, from time to time after the delivery of this instrument, at Assignee's request, Assignor shall do, execute, acknowledge and deliver, or shall cause to be done, executed, acknowledged and delivered such further acts, conveyances, transfers and assignments as Assignee may reasonably require to convey, transfer to and vest in Assignee, and to put Assignee in possession of, any of the Transferred Patents.

3. Pursuant to, in accordance with and subject to the terms and limitations of the Master Agreement, Assignee shall be responsible for, and shall pay all reasonable expenses involved in notarization, authentication, legalization and/or consularization of the signatures of Assignee's representatives on the individual patent assignment documents, by country, and recording such assignment documents with the appropriate Governmental Authorities. Assignee shall provide draft assignment documents, by country, and at Assignee's expense, for approval and execution by Assignor. Assignor shall be responsible for, and shall pay all

expenses involved in notarization, authentication, legalization and/or consularization of the signatures of Assignor's representatives on the individual patent assignment documents regarding the Transferred Patents, by country.

4. The only representations and warranties being made with respect to the Transferred Patents are those set forth in the Master Agreement.

5. This Agreement shall be binding on and inure to the benefit of and be enforceable by the Parties hereto and their respective successors and assigns. Nothing in this Agreement shall be deemed to create or imply any right or benefit in any person other than Assignor or Assignee.

6. a. This Agreement shall be governed in all respects by the laws of France, including validity, interpretation and effect, without regard to the principles of conflicts of laws that might otherwise be applicable.

b. All disputes arising in connection herewith, shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce ("ICC") as in effect as of the date of commencement of the arbitration proceedings, by three (3) arbitrators appointed in accordance with said Rules. The arbitration proceedings shall take place in Paris (France) and shall be conducted in the English language. The arbitral award shall be binding upon the Parties and judgment upon any award rendered may be entered in any court having jurisdiction. However, either Party may bring any action or proceeding seeking interim or conservatory measures in any court of competent jurisdiction.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their duly authorized officers in two (2) counterparts, as of the day first written above.
