WHEREAS WE, the undersigned inventors herewith declare that we are the joint inventors and have made a certain invention as set forth in a patent application (including industrial designs and utility models) entitled **Centrifugal Atomization for Production of Zinc Powder**, Attorney's Docket No. **DCL2051/Z-4796**, described in an application executed by us on April 18, 2008 and April 21, 2008 and filed in the U.S. Patent and Trademark Office as Ser. Number _____ on _____ (the hereinafter named assignee being authorized to insert said Number and filing date when ascertained):

Michael J. Zuraw, of One Pondview Drive, Bethel,
Conn. 06801;

Peter B. Harris, of 89 Lowell Drive, Stow, Mass. 01775

We made said invention set forth in said patent application while employed by, or otherwise under an obligation to assign said invention to THE GILLETTE COMPANY or one of its Affiliates and acknowledge our obligation at the time the invention was made to assign said invention to THE GILLETTE COMPANY or the Affiliate, respectively. Pursuant to said obligation and (in the case of employment by or obligation to the Affiliate) at the request of the Affiliate, We assign to THE GILLETTE COMPANY, its legal representatives, successors and assigns, the entire right, title and interest (including the right to claim priority of the filing date of said patent application under international conventions) in said invention as set forth in said patent application, and in all patents of the United States and of any other country which may be issued for said invention, as fully and completely as the same would have been held by us had this assignment not been made. The entire right, title and interest shall vest irrevocably in THE GILLETTE COMPANY. We further agree upon request, without additional compensation but at no expense to us, to execute or assent to applications, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to THE GILLETTE COMPANY, its legal representatives, successors and assigns, or as said Company may direct.

We request the Commissioner for Patents to issue any Letters Patent of the United States which may be issued for said invention herein assigned and as set forth in U. S. Application Serial Number _____ (the hereinafter named assignee being authorized to insert said U.S. Serial Number when

ascertained) to THE GILLETTE COMPANY, its legal representatives, successors or assigns, as the sole owner of the entire right, title, and interest in said patent and the invention covered thereby.

The ASSIGNMENT of said invention is effective as of the earlier of 1) the date of execution shown below or 2) the filing date of the first filed of said patent application(s).
