ASSIGNMENT

Assignor: Robert H. Jessen
Assignee: Michael Murphy
Invention: *Methods and means to control boat wake*
U.S. Patent No.: 6,234,099
U.S. Patent Issued: May 22, 2001

Whereas, ROBERT H. JESSEN ("Assignor") and MICHAEL MURPHY ("Assignee") have invented and co-own that certain invention described as *Method and means to control boat wake* (the "Invention") for which the United States Patent No. 6,234,099 was issued on May 22, 2001 to both of them as co-patentees; and

Whereas, Assignor now desires to assign to Assignee, and Assignee desires to acquire from Assignor, all of Assignor's right interest in, to and under the Invention, United States Patent No. 6,234,099, and to any other letters patent of any country in the world which may be obtained for its subject matter.

Now Therefore, for good and valuable consideration receipt of which is acknowledged, Assignor forever assigns, grants, conveys, sells and transfers to Assignee all of Assignor's right, title and interest in and to the Invention and all letters patent of the United States, including Patent No. 6,234,099, and of any other country of the world that may now exist or later be obtained for the subject matter of the Invention, along with any new, continuation, continuation-in-part, division, renewal, substitute or reissue corresponding to them, for the full term or terms for which they may be granted, along with any now existing or later arising claims for infringement or misappropriation of any rights in the Invention or any letters patent or their derivations.

Assignor warrants that he has not made any other assignment, license, encumbrance or transfer of any interest in the Invention or any letters patent issued for it, including U.S. Patent No. 6,234,099 to any other person and that he has not and will not make any assignment, grant, conveyance, agreement or encumbrance which could or would conflict with this Assignment.

In Witness Whereof, Assignor has executed this Assignment to be effective, conclusive and binding as of the date indicated below.
