ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I, Alysia M. Sagi-Dolev hereby sell, assign and transfer to **Qylur Security Systems, Inc.** a **California** corporation, having a place of business at **3600 West Bayshore Road, Suite 106, Palo Alto, CA 94303**, its successors and assigns, the entire right, title and interest throughout the world in my invention in

MULTI-THREAT DETECTION PORTAL

for which I have filed a United States continuation-in-part patent application on **February 4, 2008**, which now has Serial No. **12/025,691**, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; I authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from me; I agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and I request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 3 day of April, 2008.

Alysia M. Sagi-Dolev
