ASSIGNMENT

WHEREAS We, Roger SPITZIG,, Walter S. CONARD and Leondo R. PHIFER of Ontario, Canada; Lake Villa Illinois and Chicago Heights, Illinois, respectively, have made a certain new and useful invention as set forth in an application for United States Letters Patent, entitled APPARATUS, METHOD AND PROGRAMMABLE PRODUCT FOR IDENTIFICATION OF A DOCUMENT WITH FEATURE ANALYSIS, and filed concurrently herewith;
OR

for which an application for United States Letters Patent was filed on _____, and identified by United States Application No. _____;

AND WHEREAS, Bowe Bell + Howell Company, a Corporation of the State of Delaware and having an address of 760 S. Wolf Road, Wheeling, Illinois 60090-6232 is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, We do hereby sell, assign, transfer and set over unto Bowe Bell + Howell Company (Assignee), its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, including the right of priority and including any continuations, continuations-in-part divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, We hereby agree with the said assignee that We will not execute any writing or do any act whatsoever conflicting with these presents, and that We will, at any time upon request, without further or additional consideration but at the expense of said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and Assignee;

AND We hereby grant Assignee, its legal representatives, successors and assigns, the power to insert on this instrument any further identification that may be necessary or desirable to comply with the recordation rules of any appropriate and competent authority, including, without limitation, the United States Patent and Trademark Office.

AND We hereby agree that this Assignment may be executed in two or more counterparts each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

AND We request the Commissioner for Patents and Trademarks to issue any Letters Patent of the United State which may be issued for said invention to said Assignee, its legal representatives, successors or assigns, as the sole owne of the entire right, title and interest in and to said patent and the invention covered thereby.
