ASSIGNMENT

This confirms an assignment,

WHEREAS, ALLAN CURTIS, a citizen of the U.S.A, having an address at 480 Barnum Avenue, Suite 6, Bridgeport, CT 06608, hereinbelow called "Assignor," is the owner of a certain invention in

ANIMAL LEASH,

of which a design patent application was filed with the United States Patent and Trademark Office on December 30, 2005, having Serial Number 29/245,963 and was issued with the United States Patent and Trademark Office on January 23, 2007, with assigned Patent Number D535,790 S;

WHEREAS, ATOMIC PRODUCTS, LLC, a limited liability company organized under the laws of Connecticut, having its principal place of business at 480 Barnum Ave, 4th floor, Bridgeport, Connecticut, hereinbelow called "Assignee," was desirous of securing the entire right, title and interest in and to the said Letters Patent, and in and to any divisions, continuations, improvements, reissues or extensions that may be made or granted thereon;

THEREFORE, BE IT KNOWN that on May 1, 2007, for and in consideration of the sum of One Dollar (\$1.00) paid by the said Assignee, and other good and valuable consideration, the receipt of all of which is hereby acknowledged, the said Assignor, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over unto the said Assignee, its successors and assigns, the entire right, title and interest throughout the world in and to the said invention, and Letters Patent, when granted, and in and to any divisions, continuations, improvements, reissues or extensions that may be made or granted on any of them together with all claims for damages by reason of past infringement of said Letters Patent with

the right to sue for, and collect, the same for his own use and behalf, and for the use and behalf of its successors, assigns or other legal representatives.

TO HAVE AND TO HOLD the same to the full end of the terms or terms for which said Letters Patent, as fully and completely as the same might be held by said Assignor had this sale and assignment not been made.

For the consideration aforesaid, Assignor agreed to and with the said Assignee, his successors and assigns, that whenever his counselor representative, or the counsel or representative of his successors or assigns, shall advise that an amendment to, or a division of, or any other proceeding or action in connection with said Letters Patent or invention, including interference proceedings, is lawful and desirable, or that a reissue or continuation or extension of said Letters Patent is lawful and desirable, the Assignor will sign all papers and drawings, take all rightful oaths and affidavits, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention, or for the reissue or continuation or extension of the same, and will do all acts necessary or required to secure to the said Assignee, his successors and assigns, the title to and full benefit of all rights hereby assigned, without charge to said Assignee or his successors or assigns, but at his or their expense;

AND the Commissioner of Patents is requested to issue the said Letters Patent, when granted, in accordance with the sale and assignment.

For the consideration aforesaid, the Assignor have sold, assigned, transferred and set over and by these presents do sell, assign, transfer and set over unto the said Assignee, his successors and assigns, or the nominees of any of them, the entire right, title and interest in and to any and all Letters Patent for said invention which may be granted in countries foreign to the United States, and in and to any applications for letters Patent which may be filed for said invention in

countries foreign to the United States and in and to the invention described in said applications; and the Assignor hereby authorize and empower said Assignee and his successors, assigns or nominees, to apply for Letters Patent or other for of protection on said invention in his own name or in the name of his successors, assigns or nominees, in any or all countries where he may desire to file such application, and where said application may be filed by another than the inventor; and the Assignor hereby covenants and agrees to sign all papers and drawings, take all rightful affidavits, and do all acts necessary or required to be done for the procurement and maintenance of Letters Patent or other form of protection for said invention in countries foreign to the United States, and for further investing or confirming the right and title thereto in the Assignee, his successors, assigns or nominees, without charge to said Assignee, his successors, assigns or nominees, but at his or their expense.

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
