PATENT ASSIGNMENT

L Thomas J. Ormsby, an individual (hereinafter "Assignor") hereby agree to assign, transfer and convey to **Boogy Woogy, Inc.**, a corporation created and existing under and by virtue of the laws of the State of Florida, and having a principal place of business at 901 S. Hercules Avenue, Clearwater, Florida 33764, its successors, legal representatives and assigns (hereinafter "Assignee") the Assignor's entire right, title and interest in and to the U.S. patent listed below and the inventions disclosed and/or claimed therein; in and to all patents issuing from said applications and any divisional, continuations, continuations in part, extensions, renewals, and reissues thereof; and in and to all applications for patents or similar legal protection which may be granted for the inventions in any country, all patents or similar legal protections which may be granted for the inventions in any country and all extensions, renewals and reissues thereof or legal equivalent thereof;

PATENT NUMBER	TYPE	ISSUE DATE
U.S. Des. 437623	Design Patent	February 13, 2001

The undersigned agree(s) to review and execute all papers necessary in connection with each patent, or patent application to protect the invention, and any continuing or divisional applications thereof and also to review and execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

- (1) The undersigned agree(s) to review and execute all papers necessary in connection with an interference which may be declared concerning any application relating to the invention, or any continuation or division thereof, and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with any such interference.
- (2) The undersigned agree(s) to review and execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.
- (3) The undersigned agree(s) to perform all affirmative acts which may be necessary to obtain a grant of valid patent(s) to the Assignee relating to the invention.

- (4) The undersigned hereby authorize(s) and request(s) the Commissioner of Patents and Trademarks, and all equivalent foreign officials, to issue any and all Letters Patents resulting from said application(s) or any division(s) or continuing application(s) thereof to the said Assignee, as Assignee of the entire interest, and hereby covenants that they have full right to convey the entire interest herein assigned, and that they have not executed and will not execute, any agreement in conflict herewith.
- (5) The undersigned hereby grant(s) the Assignee and its duly authorized representatives the power to insert on this agreement any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office, and any equivalent foreign office, for recordation of this document.
- (6) Assignor warrants and represents that to the best of its knowledge it owns a one-hundred percent (100%) undivided title and interest in U.S. Patent No. Des. 437623 and that it is free to enter into this Agreement and that it has no knowledge of any suit, action, or claim instituted or threatened by a third party against any of these intellectual property rights.
- (7) Assignor agrees at its expense, to hold Assignee harmless from any liability which results from any breach by Assignor of the terms of this agreement.
