ASSIGNMENT

WHEREAS, I, Dennis R. Voelker of 5623 South Fulton Way, Greenwood Village, Colorado, 80111 have invented a certain new and useful invention entitled, Surfactant Lipids, Compositions Thereof and Uses Thereof, for which an application for Letters Patent of the United States has been prepared and filed on March 28, 2008, receiving Application No. 12/057,967, and further identified as Attorney File No. 2879-128.

NOW THEREFORE, be it known that I, the said inventor, for and in consideration of good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee do sell, assign and transfer unto said assignee, National Jewish Medical and Research Center, a Colorado nonprofit corporation having a place of business at 1400 Jackson Street, M206a, Denver, Colorado, 80206, its successors, legal representatives and assigns, the aforesaid application for the territory of the United States of American and all continuation, divisional, continuation-in part and reissue applications, all applications for extension filed or to be filed for the invention, and all Letters Patent, invention Registrations, utility Models, Extensions or Reissues and other patent rights, obtained for the invention in the United States or any other country; I also assignee any right, title or interest in and to the invention in the United States or any other country; I also assign any right, title or interest in and to the invention which has not already been transferred to the assignee; I warrant that I have made no assignment of the invention, application or patent therefor to a party other than National Jewish Medical and Research Center and I am under no obligation to make any assignment of the invention, application, or patent therefor to any other party; and I further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the invention, but at the expense of said assignee.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to National Jewish Medical and Research Center, its successors, legal representatives and assigns, as the assignee of entire right, title, and interest therein.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date indicated hereunder.

Date: 5/12/08
