## ASSIGNMENT OF INTELLECTUAL PROPERTY

This ASSIGNMENT OF INTELLECTUAL PROPERTY is made as of this 25th, day of April 2008 by Adroit Ventures LLC, a limited liability company organized under the laws of the state of New York, and having an address of 381 Park Avenue South, New York, New York 10016 and Trenton Ulicny (together, the "Assignor"), to and in favor of TY KU, LLC (a limited liability company organized under the laws of the State of New York and having an address of 381 Park Avenue South, New York, New York 10016 (the "Assignee").

### Recital

Assignor has agreed to sell, convey, transfer, assign and deliver good ownership title to all inventions, patents, patent applications, trademarks, trademark applications, copyrights, domain names, product formulas and other proprietary information and intellectual property used or useful in the business of the Assignee or otherwise relating to its products and assets.

NOW, THEREFORE, in consideration of the undertakings herein and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor undertakes as follows:

1. This Assignment of Intellectual Property is being delivered pursuant to, and is subject to the representations, warranties, covenants and agreements set forth in, that Securities Purchase Agreement of even date herewith by and between the Assignee and David Sokol.
2. Assignor hereby sells, conveys, transfers, assigns and delivers unto Assignee, and its successors and assigns, and the Assignee hereby accepts and assumes, all of Assignor's right, title, interest, ownership, and all subsidiary rights (including United States and foreign rights) in and to (a) all inventions, patents and all original, divisional, continuation, continuation-in-part, substitute, reissue and

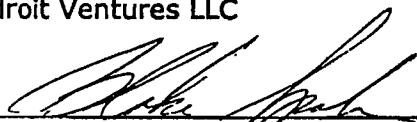

reexamination applications for patents applied for or granted therefore in the United States and all other countries, including the patents and applications set forth in the attachment hereto, and all rights of priority from the filing of the patents and applications; (b) all trademarks, trademark applications, trademark registrations, including those trademarks set forth in the attachment hereto, and all the goodwill of Assignor's business relating to such trademarks; (c) all copyrights, including all copyright registrations set forth in the attachment hereto; (d) all domain names, including all of the domain names set forth in the attachment hereto; (e) all product formulas and (f) all other proprietary information and intellectual property used or useful in the business of the Assignee or otherwise relating to its products and assets including, but not limited to, (g) all common law rights, (h) all rights to secure intellectual property registration(s) therein and to any resulting registration(s) in Assignee's name as claimant, (all of the foregoing collectively "Intellectual Property") and (i) all claims, demands and rights of action which Assignor has, or may have in the future, by reason of any infringement (including past infringement) of the Intellectual Property being assigned pursuant to this Assignment of Intellectual Property (including any infringement prior to this assignment), with all of the foregoing TO HAVE AND TO HOLD, unto Assignee, its successors and assigns, FOREVER, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents and trademarks with respect to the Intellectual Property or resulting therefrom to the Assignee herein as assignee of the entire interest therein.

3. In furtherance of this Assignment of Intellectual Property, Assignor agrees at the request and expense of the Assignee to execute all documents, and do all acts and things as may be reasonably necessary or proper to confirm and record the assignment of the Intellectual Property in the Copyright, Trademark or Patent Offices of any country of the world, including, but not limited to, assignments of all Intellectual Property suitable for recording in specific countries of the world and powers of attorney authorizing attorneys appointed by Assignee to record such assignment, and agrees and covenants to execute and deliver all trade secrets, copyrights, all trademarks, and all divisional, continuation, continuation-in-part,

substitute, reissue and reexamination United States and other country applications for patent with respect to the Intellectual Property to Assignee or its assigns, to communicate to the Assignee or its representatives all facts known to the Assignor with respect to the Intellectual Property, whenever requested to testify in any appeals, oppositions, cancellations, Interferences, court, or other legal proceedings in which any of the Intellectual Property may become involved, to sign all lawful papers, make all rightful oaths or declarations, and to do generally everything necessary to aid the Assignee, its successors, assigns, and nominees to obtain trade secret, copyright, patent and trademark protection for the Intellectual Property in the United States and all other countries.

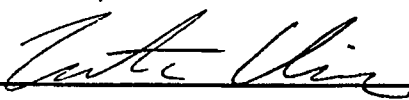

4. Pending recordal of the Assignee as the owner of the Intellectual Property, the Assignor agrees to join Assignee as party, if so requested by Assignee, to any litigation or proceeding relating to or involving any of the Intellectual Property.
