ASSIGNMENT
Dated for Reference the 17th day of January, 2007

I,

MARC SALSURY of #404-2260 West 2nd Avenue in the city of Vancouver in the province of British Columbia, Canada;

IN CONSIDERATION OF \$1.00 (ONE DOLLAR) in lawful currency of Canada and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, do hereby sell and assign to:

TIR SYSTEMS LTD. a limited company incorporated pursuant to the laws of British Columbia, Canada with an address at 7700 Riverfront Gate, in the city of Burnaby, in the province of British Columbia, Canada (hereinafter the "Assignee")

all my right, title and interest in Canada, the United States of America and throughout the world, in and to my invention:

COLOR CONTROL METHODS as described and claimed in my laboratory notebook notes, invention disclosure, and any other notes, drawings or medium whether in written, electronic or any other format,

and to all improvements, modifications and additions to said invention, and to all my corresponding foreign patent applications and patents relating to said invention and improvements, modifications and additions thereto, and to any divisions, continuations, continuation-in-part applications, reissues and renewals of the aforementioned patents.

For said consideration, I agree, upon the request and expense of the Assignee, its successors and assigns, to execute any and all divisional, continuation, continuation-in-part applications, reissue and substitute applications for said invention, and improvements, modifications and additions to said invention, and acknowledge and agree that all rights therein shall vest in the Assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by said Assignee, its successors and assigns, to the full end of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this Assignment had not been made.

In addition, I will, at the request and expense of the Assignee, execute any and all documents required by the Assignee to fully vest the aforementioned rights in the Assignee.

The undersigned hereby grants to the Assignee and its agents and assigns the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with the Patent Rules for recordation of this document.

SIGNED at the city of Burnaby, in the province of British Columbia, Canada this 9 day of

May, 2007.

Marc Salsbury

 declare that I was personally present and did see Marc Salsbury duly sign and execute the above Assignment.
