ASSIGNMENT

I, **HENDRIKS, Jack** whose full post office address is R.R. #1, Millet, Alberta, T0C 1Z0, Canada, for and in consideration of Ten Dollars (\$10.00) and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, do hereby assign to **SUPREME INTERNATIONAL LIMITED**, whose full post office address is 6010-47 Street, Wetaskiwin, Alberta T9A 2R3, Canada, all my right, title and interest in and to an invention relating to a **"FLUID DRIVE SYSTEM"** and worldwide rights therein, and in U.S. Patent Application No. 11/977,957 filed in the United States on the 26th day of October, 2007 for said invention including all divisions, continuations and substitutions thereof, and all United States and foreign patents which shall issue on said invention, including all reissues, renewals and extensions thereof, for the United States, its territories and possession and all foreign countries, including the right to file corresponding applications for patents or the legal equivalent thereof on said invention in any and all foreign countries, and the right to claim priority under any and all treaties and conventions to which The United States is signatory including the Paris Convention for the Protection of Industrial Property and the Patent Co-operation Treaty of the World Intellectual Property Organization ("WIPO") for such corresponding applications, or any division, continuation, renewal or substitution thereof, and as to patents and any reissue, re-examination or extension thereof, the same to be held and enjoyed by said assignee, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by me, had this assignment not been made. I hereby authorize and request the Commissioner of Patents in the United States and in all foreign countries to issue all patents or legal equivalents thereof based on said application and on each division, continuation, substitution, reissue, renewal and extension thereof to said ASSIGNEE, its successors and assigns.

I covenant and agree that I will, at any time on request and at the expense of said ASSIGNEE, execute and deliver any and all papers and do all lawful acts that may be necessary or desirable, in the opinion of said ASSIGNEE, to enable and assist said ASSIGNEE to (a) obtain Letters Patent, both domestic and foreign, on said invention; (b) establish, maintain and secure title in said ASSIGNEE, its successors and assigns, to said invention, application and Letters Patent, including making such title of lawful public record; and (c) defend, establish or otherwise preserve the validity of said Letters Patent

against any and all infringers, and perform such other acts as are necessary to give full force and effect to this assignment.

I represent and warrant that no assignment, mortgage, sale, license, pledge, encumbrance or alienation of said invention or patent application has been or will be made or entered into which would conflict with this assignment and sale.

I HEREBY declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, in the United States under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of any patent application filed in respect of the invention or of any patent issued thereon.

IN TESTIMONY WHEREOF, I have duly executed this assignment as my free act and deed. Signed at Wetaskiwin, Alberta, Canada, this 22 day of April, 2008
