PATENT ASSIGNMENT

WHEREAS, Jacques Nadeau, a citizen of Canada and residing at 940 Boulevard St-Joseph West, Drummondville, Quebec, Canada wishes to convey his interest in United States Patent No. 5,306,165 issued on April 26, 1994 entitled Electric Distributing System;

WHEREAS, Intermatic Incorporated, a corporation, organized and existing under the laws of the State of Delaware, having a place of business at Spring Grove, Illinois, hereinafter called the "Assignee", desires to acquire the entire right, title and interest in the patent identified above;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to the Assignee, the entire right, title and interest for the United States in and to the patent identified above, together with the entire right, title and interest in and to all patent applications and patents therefor in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions including divisional U.S. Patent No. 5,418,328 issued May 23, 1995, renewals, extensions and reissues of the patent defined above including reissue application Serial No. 08/637,529; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

The Assignor hereby covenants and agrees, for both the Assignor and the Assignor's legal representatives, that the Assignor will assist the Assignee in vesting in the Assignee like exclusive title in and to all such other patent applications and patents; and in the prosecution of any interference which may arise involving any such patent application or patent; and that the Assignor will execute and deliver to the Assignee any and all additional papers which may be requested by the Assignee to carry out the terms of this Assignment.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignor has executed this agreement.
