PATENT

A S S I G N M E N T

In consideration of One Dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, I

Raymond Dunn,

hereby sell and assign to University of Massachusetts, a Massachusetts corporation having a principal place of business at 225 Franklin Street, Boston, Massachusetts, 02110, its successors and assigns, the entire right, title and interest, including the right to claim priority under the International Convention, throughout the United States, its territories and all foreign countries, in and to my invention in

TISSUE CLAMP

and the application for United States Letters Patent therefor filed on February 15, 2008, Application No. 12/070,356, and such patents as may issue thereon, and all divisions, reissues, re-examinations and continuations and continuations-in-part thereof.

And I hereby covenant that I have full right to make such assignment, and agree for myself and my executors and administrators that I will, at the expense of said University of Massachusetts, execute all applications for patents in foreign countries, execute all divisional, continuing, reissue and re-examination applications, make all rightful oaths, sign all lawful papers, testify in any proceeding in which said invention or any application or patent directed thereto may be involved, and generally do everything possible to aid said University of Massachusetts, its successors and assigns, to obtain and enforce proper patent protection for said invention in the United States, its territories and all foreign countries.

And I hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue all Letters Patent on said invention or resulting therefrom to University of Massachusetts, its successors and assigns.

[UMASS-015BX]

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal.
