ASSIGNMENT

WHEREAS, I, **Junru Ruan**, a citizen of the People's Republic of China, residing at 1224 Western Ave., FL 1, Albany, New York 12203; have invented certain new and useful improvements in an **Automated Determination of Height and Tilt of a Substrate Surface Within a Lithography System**, for which an application for U.S. Letters Patent is being executed of even date herewith; and

WHEREAS, **The Research Foundation of State University of New York**, having offices at 1400 Washington Avenue, Albany, New York 12222, is desirous of obtaining the entire right, title and interest in, to and under the said improvements and the said application;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, I, said **Junru Ruan**, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto said **The Research Foundation of State University of New York**, its successors, legal representatives and assigns, the entire right, title and interest in, to and under said improvements, and said application and all divisions, renewals, continuations and continuations-in-part thereof, and all Letters Patent which may be granted thereon and all re-examinations, reissues and extensions thereof, and all applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States, and all Letters Patent which may be granted for said improvements in any country or countries foreign to the United States and all re-examinations, renewals, reissues and extensions thereof thereof; and I hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to said **The Research Foundation of State University of New York**, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant that I have full right to convey the entire interest herein assigned, and that I have not copied or used information that may be subject to a trade secret owned or under the control of a third party, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I and my heirs, representatives and successors, if any, will communicate to said **The Research Foundation of State University of New York**, its successors, legal representatives and assigns, any facts known to me respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid said **The Research Foundation of State University of New York**, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said improvements in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal this 23 day of May, 2008.
