ASSIGNMENT

For good and valuable consideration, We, Loretta Kish, 2003 Appaloosa Lane, Melbourne, FL 32934, and Lamar McBryde, 2779 School Drive NE, Palm Bay, FL 32905; (hereinafter referred to as Assignors) hereby sell, assign and transfer to Sea-Watch Technologies, Inc., a Florida Corporation organized and existing under the laws of Florida, having its principal place of business at 1050 W. Nasa Blvd, Suite 114, Melbourne, FL 32901, U.S.A., (hereinafter referred to as Assignee) its successors, assigns and legal representatives, the entire right, title and interest in and for the United States and all foreign countries, in and to any and all inventions that are disclosed in the application for United States Letters patent entitled:

INTEGRATED VESSEL MONITORING AND CONTROL SYSTEM

and further in and to said application and all original, divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent that have been or shall be filed in the United States and all foreign countries on any of said inventions; and in and to all original and reissued patents that have been or shall be filed in the United States and all foreign countries on said inventions;

Assignors agree that Assignee may apply for and receive Letters Patent for said inventions in its own name.

Assignors agree that, at the request of the Assignee and, without charge to but at the expense of the Assignee, Assignors will carry out in good faith the intent and purpose of this Assignment; execute all original, divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to Assignee all facts known to any Assignor relating to said inventions, the history thereof and any alleged infringement thereof; and generally do everything possible that Assignee shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on inventions in the Assignee;

Assignors covenant with Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the Assignors, and that full right to convey the same as herein expressed is possessed by the Assignors.
