ASSIGNMENT

WHEREAS, we, James H. Bowden, Jr., a citizen of the United States of America, residing at 100 Kylemore Pass, Tyrone, GA 30290; and Wai-Shing Peter Ko, a citizen of the United States of America, residing at 125 Holly Springs Drive, Peachtree City, GA 30269, have invented certain inventions and improvements disclosed in an application for Letters Patent entitled "Switched LED Nightlight for Single-Gang Junction Box," the specification of which is being filed concurrently herewith; and

WHEREAS, Cooper Technologies Company, a corporation of the State of Delaware, having a principal place of business at 600 Travis Street, Suite 5800, Houston, Texas 77002, is desirous of acquiring an interest in the same.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, we, James H. Bowden, Jr. and Wai-Shing Peter Ko, by these presents, do sell, assign, and transfer to Cooper Technologies Company the full, exclusive, and entire right, title, and interest in and to said application, in and to any divisions, continuations, reexaminations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and we hereby request the Director of the U.S. Patent and Trademark Office to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, reexamination, or reissue thereof, to Cooper Technologies Company as the assignee, for its interest and for the sole use and benefit of Cooper Technologies Company and its assigns and legal representatives;

For the same consideration, we, by these presents, do sell, assign, and transfer to Cooper Technologies Company the full, exclusive, and entire right, title, and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights

granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of Cooper Technologies Company or its designee insofar as permitted by applicable law;

AND, for the same consideration, we agree to sign all lawful papers, execute all division, continuing, reexamination, reissue, and other applications, make all assignments and rightful oaths, and generally do everything possible to aid Cooper Technologies Company, its successors, assigns, and nominees to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
