FILED
2008 MAY 27 PM 2:46

HAMILTON COUNTY, IOWA

IN THE IOWA DISTRICT COURT FOR HAMILTON COUNTY

IN RE WEBSTER CITY MEDICAL	:	No. CVCV027671
DEVICES, INC. (FORMERLY KNOWN	:	
AS INNOVATIVE MEDICAL	:	AMENDED
DEVICES, INC.) AND ANIL SAHAI	:	DECLARATORY JUDGMENT
	:	

BE IT KNOWN THAT ON THIS 27 day of May, 2008, the Petition for Declaratory Judgment herein was presented to this Court. The Petition has been verified by Petitioner, the sole party in interest herein, and said Petitioner has waived further Notice and hearing on said Petition and has consented to the entry of a Declaratory Judgment herein.

The Court, being fully advised in the premises, finds as follows:

1. That the Court has jurisdiction of Petitioner in his individual capacity as a shareholder of Webster City Medical Devices, Inc. as well as subject matter jurisdiction over the assets owned by Webster City Medical Devices, Inc. as of August 5, 2002.
2. That Webster City Medical Devices, Inc. was originally incorporated as Innovative Medical Devices, Inc. and the corporate name was changed on February 2, 1999.
3. That Webster City Medical Devices, Inc. was administratively dissolved by the Iowa Secretary of State on August 5, 2002, and has not been reinstated.
4. At the time said corporation was dissolved, its assets included United States Patents No. 5971594 and 6,332,100 (which is a continuation of Patent No. 5971594) and foreign patents.

5. That Anil Sahai was the sole shareholder of Webster City Medical Devices, Inc. on the date of dissolution, August 5, 2002 and at all times thereafter.
6. That there are no known claims against the assets of said corporation and no corporate liabilities as of August 5, 2002 and thereafter.
7. The Court further finds as a matter of law that upon dissolution on August 5, 2002, all remaining corporate assets were distributed to the Anil Sahai. (I.C.A. 490.1405).

IT IS HEREBY ORDERED THAT upon the administrative dissolution of Webster City Medical Devices, Inc. on August 5, 2002, all property owned by said corporation, including United States Patents No. 5971594 and 6,332,100 (which is a continuation of Patent No. 5971594) and any foreign patents, became the property of Anil Sahai, the sole shareholder thereof.

This judgment amends the prior Declaratory Judgment entered this date.

JUDGE OF THE DISTRICT COURT
STATE OF IOWA
