GLOBAL ASSIGNMENT

For good and valuable consideration, including a Bill of Sale executed between John A. Doherty and Western Strategic Products, LLC, dated 9/23/05, the receipt and sufficiency of which is hereby acknowledged, I, the undersigned, John A. Doherty, do hereby sell, assign and transfer to: **Western Strategic Products, LLC**, a corporation of Colorado, having a place of business at 829 St. Andrews Lane, Louisville, CO 80027 ("Assignee"), its successors, assigns, and legal representatives, the entire right, title and interest in and to any and all inventions and improvements which are disclosed in the patent applications or issued patents identified in Schedule A, attached hereto (hereinafter "Intellectual Property"); and in and to said Intellectual Property and all nonprovisional, divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions and improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions and improvements; and in and to all rights of priority resulting from the filing of said Intellectual Property; and in and to any and all rights of past damages associated with the Intellectual Property, including all rights and damages associated with prior infringement thereof.

The parties further agree that said Assignee may apply for and receive Letters Patent for said inventions and improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all nonprovisional, divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions and improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and improvements and for vesting title to said inventions and improvements and all applications to patents and all patents on said inventions and improvements, in said Assignee, its successors, assigns and legal representatives.
