assignment

For good and valuable consideration, receipt of which is hereby acknowledged, I, **Keith W. Trammell** of **3240 S.E. Riviere Drive, Milwaukie, OR 97267**, hereby sells, assigns and transfers to **Pybas Vegetable Seed Co., Inc.** a California corporation, having a place of business at **2330 A Street, Unit B, Santa Maria, California, 93455**, its successors and assigns, the entire right, title and interest throughout the world in my invention in

ICEBERG LETTUCE PYB 1094

for which I have executed a United States patent application on **April 30, 2008**, which now has Serial No. **12/112,959**, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; I authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from me; I agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and I request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 30th day of May, 2008.
