## ASSIGNMENT

Attorney Docket Number 113425

Whereas, we, Joseph E. Achzet, of Gloversville, New York; Margaret E. Enzien, of Mechanicville, New York; Philip A. Nowicki, of Manitou Springs, Colorado; and Michael J. Terenzetti, of Saratoga Springs, New York; ("Applicants") have invented new **CLIP FOR A WRITING INSTRUMENT**, (the "Invention") for which we have filed a new design patent application with the United States Patent and Trademark Office which has been assigned application serial number 29/276,537 and granted the filing date of January 29, 2007, (the "Patent"); and,

WHEREAS Holland USA, Inc., a corporation organized and existing under the laws of the State of Minnesota ("Assignee"), whose mailing address is 1725 Roe Crest Drive, North Mankato, Minnesota, 56002, desires to acquire full ownership and rights in same;

Now, therefore, in consideration of good and valuable consideration, the receipt of which we acknowledge, we assign to the Assignee our full and exclusive ownership and rights to that Invention, the Patent, and any patent which may be granted claiming priority from the Patent.

We authorize and request the Commissioner of Patent and Trademarks to issue the United States Patent to the Assignee, and to give the sole use and benefit of it to the Assignee and its legal representatives, until the end of the term for which the Patent may be granted or otherwise entitled to have, as fully and entirely as the same would have been held by us had this Assignment not been made.

This Assignment includes our rights in any continuation, continuation-in-part, division, reissue, or reexamination application, or any patent that issue from any such application, that claims priority from the Patent.

This Assignment includes our rights in any foreign patent application, or any patent that may issue in any foreign jurisdiction from any such application, that claims priority from the Patent.

**ASSIGNMENT OF Achzet, et. al.**

Attorney Docket No. 113425

Page Two

Applicants hereby request the Honorable Commissioner of Patents to issue any Letters Patent which might arise claiming priority from the Patent to Assignee in accordance with this instrument.

Applicants further agree, for the consideration aforesaid, that we hereby covenant and agree to and with Assignee, its successors and assigns, that whenever its counsel or the counsel of its successors or assigns, learned in the law, shall advise that any proceeding in connection with the filing or prosecution of said domestic or foreign patent applications is lawful and desirable, we, or our executors, administrators or assigns, will sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention, or for the reissue or extension of the same, without charge to Assignee, its successors or assigns, but at Assignee's expense.

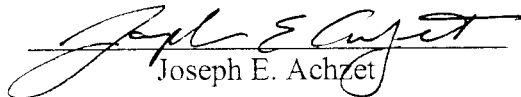

**ASSIGNMENT OF Achzet, et. al.**
