ASSIGNMENT

WHEREAS, Mark A. Blanchard of 3275 Paddock Road, Lebanon, Indiana, 46053, Bradley C. Geswein of 6399 Persimmon Pass, Plainfield, Indiana, 46168, Thomas E. Gospel of 12970 Brookshire Parkway, Carmel, Indiana, 46033, and Graham Allen of The Coach House, Fowlers Park House, Rye Road, Hawkhurst, Kent TN18 5DA, United Kingdom, hereinafter referred to as Assignors, have made one or more new and useful inventions in a HEADPHONE for which Assignors have made, or will make, application for Letters Patent of the United States as well as possible other countries (hereinafter the "Application"); and

WHEREAS, Klipsch, LLC, an Indiana limited liability company, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title and interest in and to said inventions, said application for Letters Patent, all corresponding patent applications, and in and to any Letters Patent or Patents obtained therefore or thereon in the United States or in any other country;

NOW, THEREFORE, for good, valuable and legally sufficient consideration for each Assignor, the receipt of which is hereby acknowledged by all Assignors, said Assignors have sold, assigned, transferred and set over, and as demonstrated by this Assignment do sell, assign, transfer and set over unto said Assignee, the entire right, title and interest in and to the above-mentioned invention(s), applications for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor or thereon, and in and to any and all divisions, continuations and continuations-in-part of any such application, or reissues, reexaminations, renewals and extensions of said Letters Patent or Patents; and the full

right to claim for any such applications all benefits and priority rights under any applicable convention, treaty or legislation, and the right to sue and obtain relief, including damages, profits and an injunction, for any infringement occurring before or after issuance of said Letters Patent or Patents; the same to be held and enjoyed for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor had this Assignment not been made.

For the above-recited consideration, said Assignors hereby covenant, warrant and agree that, at the time of execution and delivery of this Assignment, they are a lawful owners of the entire right, title and interest in and to said inventions and the application for Letters Patent above-mentioned, and that the same are unencumbered and that the Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

For the above-recited consideration, each of said Assignors hereby covenant and agree to execute and deliver to the Assignee, its successors, legal representatives or assigns, all papers and documents that may be required to carry out the terms of this Assignment, and take all lawful oaths, provide testimony, and do all lawful acts necessary or required to be done to reasonably assist said Assignee, its successors, legal representatives or assigns in any interference, litigation or other proceeding in any country concerning or in connection with any inventions, patent applications, Letters Patent or Patents assigned hereunder; or for the prosecution, procurement, maintenance, enforcement and defense of Letters Patent or Patents for said inventions

and patent applications, or to carry out the terms of this Assignment, or vest in the Assignee, its successors and assigns, exclusive title in and to all inventions, patent applications, Letters Patent or Patents assigned hereunder, without further compensation from said Assignee, its successors, legal representatives or assigns, except for reasonable costs and expenses of the Assignors incident to such assistance and approved in writing by said Assignee, its successors, legal representatives or assigns before any such costs or expenses are incurred.

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same agreement. Executed counterparts delivered by e-mail or facsimile transmission shall have the same force and effect as counterparts bearing original signatures.

Said Assignors hereby authorize and request the Commissioner of Patents to issue said Letters Patent or Patents of the United States to Klipsch, LLC as the Assignee of said inventions, patent applications and the Letters Patent or Patents to be issued thereon for the sole use of Klipsch, LLC, its successors and assigns in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignor has executed this Assignment.

and patent applications, or to carry out the terms of this Assignment, or vest in the Assignee, its successors and assigns, exclusive title in and to all inventions, patent applications, Letters Patent or Patents assigned hereunder, without further compensation from said Assignee, its successors, legal representatives or assigns, except for reasonable costs and expenses of the Assignors incident to such assistance and approved in writing by said Assignee, its successors, legal representatives or assigns before any such costs or expenses are incurred.

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same agreement. Executed counterparts delivered by e-mail or facsimile transmission shall have the same force and effect as counterparts bearing original signatures.

Said Assignors hereby authorize and request the Commissioner of Patents to issue said Letters Patent or Patents of the United States to Klipsch, LLC as the Assignee of said inventions, patent applications and the Letters Patent or Patents to be issued thereon for the sole use of Klipsch, LLC, its successors and assigns in accordance with the terms of this Assignment.
