ASSIGNMENT

This Assignment made by MICHAEL KASABA of 3311 Van Allen Place, Topanga, California 90290, AARON LEHNHARDT of 7642 Ruisenor Street, Mission Viejo, California 92692, and BRIAN HUFF of 4148 Greenwood Street, Newbury Park, California 91320, (collectively "Assignors") to California Motors LLC, a California Limited Liability Company, having a place of business at 3991 Camino Ranchero, Camarillo, California 93012, ("Assignee.")

WHEREAS, Assignors have invented a new design for a Supercar ("the Invention") for which a design patent application has been prepared; and

WHEREAS, Assignors believe themselves to be the original, first and joint inventors of a new design for a Supercar; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to the design, and any Patent that may be granted for the Invention in the United States;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign and transfer to Assignee, without warranty, representation or recourse, the entire right, title and interest in and to the Invention, and any Patent that may be granted for the Invention in the United States..

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representative(s) and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing Patents in the United States for the Invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to the Invention, and any Patent granted for the Invention in the United States.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States to issue a Design Patent for the Invention to Assignee, its successors and assigns, as the Assignee of the entire right, title and interest in and to the Invention.

IN WITNESS WHEREOF, Assignors have executed this Assignment on the date written hereinbelow.
