ASSIGNMENT AND AGREEMENT

For good and valuable consideration, We, the University of Durham a corporation organized and existing under the laws of the Country of the United Kingdom having its principal place of business at University Office, Old Elvet, Durham DH1 3H; hereafter individually or collectively referred to as "Assignor";

Hereby sell, assign, and transfer to Durham Pipeline Technology Limited a corporation organized and existing under the laws of the Country of United Kingdom, having its principal place of business at North East Innovation Centre Building Neilson Road, Gateshead, Tyne and Wear NE10 OEW, hereinafter "Assignee", its successors, assigns and legal representatives, the entire right, title and interest in and for the United States and all foreign countries, in and to any and all improvements which are disclosed in the applications for United States Letters Patents, which has been executed by the undersigned and are indicated on the attached Annex A and in and to said application and all divisional, continuing substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be filed in the United States and all foreign countries on said improvements;

Agree that Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns, and legal representatives to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and legal representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors and assigns or legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said applications for patents and all patents on said improvements, in said Assignee, its successors, assigns, and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
