KG (hereinafter referred to as Assignee), a German company, having a principal place of business at Streffeldstrasse 25, 81673 Muenchen, Germany, its successors, legal representatives and assigns, the entire right, title and interest throughout the world in Assignors' invention or improvement in Electrohydraulic Solar Panel Carrier Adjusting Device, as described in the Application Serial No. 12/051014 for Letters Patent of the United States therefore, and filed on March 19, 2008, and in any and all other United States applications, regular and provisional, which Assignors may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States which may be obtained or any of the said applications, and, if provisional, in any regular application referring thereto pursuant to 35 USC 119(e) or other internal priority legislation, and in any division, continuation, reexamination, reissue or extension of any of the foregoing.

Assignors hereby authorize and request the Commissioner of Patents to issue any Letters Patent on said invention or improvement to HAWE Hydraulik GmbH & Co. KG.

Assignors warrant that they are the owners of the entire right, title and interest in and to the invention and patent application herein assigned and have the right to make this assignment; and further warrant that there are no outstanding prior assignments, licenses, or other rights whatsoever (including, without limitation, shop rights) in the interest herein assigned.

For said considerations Assignors hereby agree upon the request and at the expense of said Assignee, its successors, legal representatives and assigns, to execute any and all regular, divisional, continuation, and renewal applications for said invention or improvements, and any necessary oath or supplemental oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application that said Assignee, its successors, legal representatives and assigns may deem necessary or expedient.
