ASSIGNMENT AND AGREEMENT

For value received, we, **Jacek Korec** of 307 Lakeside Court, Sunrise, Florida 33326, **Shuming Xu** of 5402 Elmhurst Drive, Schnecksville, Pennsylvania 18078, and **Christopher Boguslaw Kocon** of 5 Wildwood Lane, Mountain Top, Pennsylvania 18707, hereby sell, assign and transfer to **Ciclon Semiconductor Device Corp.**, a Delaware corporation, with its principal place of business located at 116 Research Drive, Bethlehem, Pennsylvania 18015, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **SEMICONDUCTOR DEVICES HAVING CHARGE BALANCED STRUCTURE** described in an application for Letters Patent of the United States executed on even date herewith, and all the rights and privileges in said applications and under any and all Letters Patent and any divisions, continuations, continuations-in-part, reexamination certificates, reissues, and extensions thereof that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Ciclon Semiconductor Device Corp. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Ciclon Semiconductor Device Corp. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Ciclon Semiconductor Device Corp. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Ciclon Semiconductor Device Corp. in the United States and in all countries foreign to the United States, or to such nominees as Ciclon Semiconductor Device Corp. may designate.

Docket No. E3755-00024

We agree that, when requested, we shall, without charge to Ciclon Semiconductor Device Corp. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
