PATENT ASSIGNMENT

WHEREAS, Rodney S. Kenley of 1402 Pearson Road, Libertyville, IL 60048 (hereinafter "Assignor"), owns certain right, title and interest in and to the inventions disclosed in the United States patent application on the schedule attached hereto and incorporated herein by reference as Exhibit A and in and to such patent applications and such patents;

WHEREAS, pursuant to that certain Patent Assignment Agreement dated as of September 25, 2007 ("Agreement") between Assignor and HHD, LLC, a Delaware limited liability company having a business address at 340 Commercial Street, Manchester, NH 03101 ("Assignee"), Assignor has sold, assigned and transferred to Assignee all of his right, title and interest in and to the patent application set forth on Exhibit A;

WHEREAS, Assignor is executing this Patent Assignment to confirm and acknowledge for recording purposes that he has assigned and transferred all of his right, title and interest in and to the patents and patent applications set forth on Exhibit A to Assignee pursuant to the Agreement;

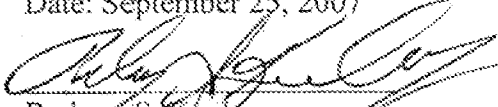

NOW, THEREFORE, Assignor hereby acknowledges and confirms that, for good and valuable consideration, receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred to Assignee, its successors and assigns, his entire right, title and interest in and to such inventions, such patent application and any patents, and any reissues and extensions thereof, which issue or have issued in any country upon patent applications which correspond with any of such applications or patents or any divisional, continuation-in-whole, or continuation-in-part thereof, including the right to sue and collect for past infringement; the same to be held and enjoyed by Assignee for its own use, and for the use of its legal representatives, to the full term for which such patents have been granted as fully and entirely as the same would have been held by Assignor had such assignment not been made.

For good and valuable consideration, receipt of which is hereby acknowledged, Assignor does hereby further covenant and agree that he will not execute any writing or do any act whatsoever conflicting with these presents, and that Assignor, his successors and assigns, will at any time upon request without further additional consideration, but at the expense of Assignee, its successors and assigns, execute such additional writings and do such

additional acts as Assignee, its successors and assigns, may determine as necessary or desirable in the enjoyment of such grant, and in any proceedings or transactions involving such inventions, patent applications or patents.

IN WITNESS WHEREOF, Assignor has caused this Patent Assignment to be executed as of the date indicated below.
