QUITCLAIM

The undersigned assignor, as the successor in interest to John Earle (the "**Assignor**") invented and wishes to assign the inventions and improvements described and disclosed in the Patents described below (the "**Inventions**") pursuant to Assignor's obligations under the Support Services Agreement dated July 1, 1986, and Mindspeed Technologies, Inc. ("**Assignee**"), desires to acquire all of John Earle's right, title and interest in and to the assets and rights convey, assigned, and transferred pursuant to this Quitclaim, made effective as of June 25, 2008 (this "**Assignment**").

Therefore, for valuable consideration, the receipt and sufficiency of which Assignor acknowledges, Assignor hereby irrevocably and unconditionally conveys, assigns, and transfers to Assignee, the full extent of all of John Earle's right, title, and interest in and to any and all of the following (the "**Rights**"):

- United States patent numbers 5,479,626 and 5,778,241 and all letters patents, United States patents or other governmental grants or issuances that may be granted or issued with respect to the Inventions (the "**Patents**");
- All reissues, requests for continuing examinations, reexaminations, extensions or registrations of the Patents;
- All causes of action, remedies and other enforcement rights related to the Inventions, and the Patents (including, without limitation, the right to sue for past, present or future infringement, misappropriation or violation of rights related to the Inventions and the Patents);
- All rights to collect royalties and other payments under or on account of any of the Inventions and the Patents.

Assignor will not execute any writing or do any act conflicting with this Quitclaim and, without further compensation, will execute all documents and do such additional acts as Assignee deems necessary or desirable to: perfect enjoyment of the Rights; conduct proceedings regarding the Rights, or perfect or defend title to the Rights. Assignor requests the respective patent office or governmental agency in each jurisdiction to grant or issue any and all letters patents, certificates of invention, utility models or other governmental grants or issuances that may be granted upon any of the Rights in the name of Assignee, as Assignee to the entire interest therein.

A copy of this Assignment will be deemed a full legal and formal equivalent of any document that may be required in any country as proof of the right of Assignee to apply for patent or other protection for any Inventions and to claim the benefit of the right of priority thereto. Assignor grants to Assignee the right, power and authority to insert in this Quitclaim any further information or identification that may be necessary or desirable to comply with the applicable rules and procedures for recordation of this Quitclaim, or perfecting its benefit, throughout the world.

The terms and conditions of this Quitclaim will inure to the benefit of Assignee, its successors or assigns, and anyone properly designated by them and will be binding upon each Assignor, his/her successors or assigns, and anyone properly designated by them.

ASSIGNOR:

Charmaine Earle
