ASSIGNMENT

WHEREAS, I, Erick Bickett ("inventor") of 79411 USA, Inc., have co-invented certain new and useful improvements for a Method And System For Communicating Vehicle Repair Information To A Business-To-Business Rental Vehicle Reservation Management Computer System for which a United States provisional patent application was filed identifying me as a co-inventor thereof, said application being assigned serial number 60/828,540 by the U.S. Patent and Trademark Office; and

WHEREAS, CynCast, Inc., a corporation of the State of California having its principal office and place of business at 120 Chaparral Court, Suite 130, Anaheim Hills, California, is desirous of acquiring the inventor's entire right, title and interest in and to said invention and improvements as disclosed in said application, in and to said application, and in and to the patent to be obtained thereon.

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, the receipt and adequacy of all of which are hereby acknowledged, I, Erick Bickett, have sold, assigned and transferred and do hereby sell, assign and transfer unto said CynCast, Inc., its successors or assigns, all of my entire right, title and interest in and to said invention and improvements as the same are disclosed in said application, in and to said application, and in and to any Letters Patent, including non-provisionals, divisionals, continuations, continuations-in-part, reissues, re-examinations and extensions to be obtained therefor in the United States and all foreign countries; and I further agree to cooperate with the assignee hereunder in the obtaining, sustaining and enforcing of any and all such Letters Patent as the assignee may desire to apply for, but at the expense of said assignee.

The Commissioner of Patents or other proper official is hereby authorized and requested to issue said Letters Patent to said Assignee CynCast, Inc in accordance with this Assignment.

For said considerations, the undersigned hereby agrees, upon the request and at the expense of said Assignee, to execute any non-provisional, divisional, continuation, continuation-in-part or substitute application for said invention or improvements, and any oath or affidavit relating thereto, and any application for the reissue, re-examination or extension of any Letters Patent that may be granted upon said application(s), and, in the event of any application or Letters Patent assigned herein becoming
