A S S I G N M E N T

We, ALEX T. DEE, of Carlsbad, State of California; ZHICHEN XI, of San Diego, State of California; and MARK CHAMBERLAIN, of San Diego, and State of California for good and valuable consideration, receipt of which is hereby acknowledged, have assigned and do hereby assign to FUJIKURA COMPOSITE AMERICA, INC., a Delaware corporation, having a place of business at 1489 Poinsettia Avenue, Suite 133, Vista, California 92081, its successors, assigns and legal representatives, the entire right, title and interest, in and to all subject matter invented by us and disclosed in the application for Letters Patent of the United States entitled

## METHOD AND APPARATUS FOR TESTING SHAFTS

application number 12/110,243, filed on April 25, 2008 and in U.S. provisional application number 60/914, 015 filed on April 25, 2007, and in and to all Letters Patent and all Convention and Treaty rights of all kinds, including the right to claim priority from said application, and all rights in and to any continuation, continuation-in-part, and divisional application there from, and any reissue or re-examination as to any Letters Patent issuing there from, in all countries throughout the world, for all such subject matter described therein, including all rights of action and rights to recover damages for past infringements, and request issuance of all said Letters Patent to the above assignee in accordance with this assignment.

We agree to do all lawful acts, including the execution of all papers and the giving of testimony, necessary or desirable to obtain, sustain, reissue, or enforce said Letters Patent and rights in all countries throughout the world, and to perfect, record, or maintain the title of Assignee, its successors, assigns and legal representatives, to said invention, said application, and any Letters Patent granted for said invention in all countries throughout the world.

We represent and warrant that we have not granted and will not grant to others any rights inconsistent with the rights granted herein, and that said invention, said application, and any Letters Patent granted for said invention are free and clear of all encumbrances and liens.
