ASSIGNMENT

WHEREAS, Water Solutionz International, Inc., (hereinafter referred to as ASSIGNOR), a corporation duly organized and existing under the laws of the state of Illinois and having a place of business at 1945 Techny Road, Suite 4, Northbrook, Illinois 60062, United States of America, is the owner of record of the patent applications listed in the attached Schedule A;

WHEREAS, Buddy Don Gray (hereinafter referred to as ASSIGNEE), having a post office address of 121 Bee Springs Road, Dellrose, Tennessee 38453, united States of America, is desirous of acquiring the entire right, title and interest in and to said patent applications;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNOR hereby sells, assigns and transfers unto said ASSIGNEE the entire right, title and interest in and to said inventions, said applications and any and all letters patents which may be granted for said inventions in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from said applications to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, said inventions, applications and all letters patents on said inventions to be held and enjoyed by ASSIGNEE and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNOR had this assignment, transfer and sale not been made. ASSIGNOR hereby authorizes and requests all respective patenting authorities to issue all letters patents on said inventions to ASSIGNEE. ASSIGNOR agrees to execute all instruments and documents required for the making and prosecution of applications for letters patents on said inventions, for litigation regarding said letters patents, or for the purpose of protecting title to said inventions or letters patents therefor.
