## ASSIGNMENT

WHEREAS I am the below named inventor of the invention entitled:

### **RETINAL TOPOGRAPHY DIFFRACTIVE FUNDUS LENS**

for which I have executed an application for United States Letters Patent; and

**WHEREAS**, ALCON, INC., a Swiss corporation organized under the laws of Switzerland and having a place of business at P. O. Box 62, Bosch 69, CH-6331, Hünenberg, Switzerland, is desirous of acquiring the entire right, title, and interest in and to said inventions and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

**NOW, THEREFORE**, for good and valuable consideration, I do hereby sell, assign, and transfer to ALCON, INC., its legal representatives, successors, and assigns, the entire right, title, and interest in and to said invention as set forth in the above-mentioned application, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

**UPON SAID CONSIDERATIONS**, I hereby agree that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant and render all necessary assistance in making application for and obtaining original, divisional, continuation-in-part, reexamined, reissued, or other Letters Patent of the United States or of any and all foreign countries on said invention and in enforcing any rights in action accruing as a result of such applications or patents, said assistance to include our cooperation in all prosecution associated with obtaining such applications or patents and our provision of testimony in any proceedings or transactions involving such applications or patents, it being understood that the foregoing covenant and agreement shall bind, and insure to the benefit of, the assigns and legal representatives of assignor and assignee.

**AND**, I request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said
