ASSIGNMENT

This Assignment, made by Alan C. Regala of Mountain View, California; Clinton N. Slone of San Francisco, California; and Michael E. Landry of Austin, Texas; Assignors, to Exploramed NC4, Inc., a California corporation, Assignee, having a place of business at 2570 W. El Camino Real, Suite 310, Mountain View, California 94040.

WHEREAS, Assignors have invented a new and useful BALL AND SOCKET ASSEMBLY, for which an application for United States Letters Patent was filed on April 30, 2008 and has Serial No. 12/112,186, and

WHEREAS, Assignors believe themselves to be the original, first and joint inventors of the invention disclosed and claimed in said application for Letters Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said invention, said application, and any Letters Patent that may be granted for said invention in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign and transfer to Assignee, the entire right, title and interest in and to said invention, said application, and any Letters Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representative(s) and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable
