| ASSIGNMENT (International Patent Application) | Attorney Docket No. U73.13-58 |
|---|--|

WHEREAS, I, Gary J. Rodriguez of Parker, Colorado US, William A. Good of Highlands Ranch, Colorado US, Edward J. Britt of Cupertino, California US, and David G. Loda of Bolton, Connecticut US, have invented certain new and useful improvements as described in an international application entitled Vehicle-Based Threat Detection System for Letters Patent filed pursuant to the Patent Cooperation Treaty, the application filed with the United States Receiving Office under International Application Number: PCT/US2006/011492, with an International Filing Date of 25 March 2006; and

WHEREAS, UNITED TECHNOLOGIES CORPORATION, a corporation organized and existing under the laws of the State of Delaware, and having offices at One Financial Plaza, Hartford, Connecticut 06101 US, ("Assignee") is desirous of acquiring the entire right, title and interest in and to the invention, the application, and any and all Letters Patent or similar legal protection, foreign or domestic, to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, I transfer to Assignee, its successors and assigns, my entire right, title and interest in and to the invention, the above-identified application, corresponding domestic and foreign applications, all Letters Patent or similar legal protection issuing thereon, and all rights and benefits under any applicable treaty or convention; and We authorize the Commissioner of Patents and Trademarks of the United States or foreign equivalent thereof to issue the Letters Patent or similar legal protection to the Assignee.

I hereby authorize the Assignee, its successors and assigns, to insert in this instrument the filing date(s) and application number(s) when ascertained. I further authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own name if desired, in any and all countries foreign to the United States.

The undersigned further agree, without any further payment or compensation by said assignee or its successors and assigns, to communicate to said assignee, its representatives or agents or its successors and assigns, any facts relating to said invention or inventions including evidence for interference purposes or for other legal proceedings whenever requested; testify in any interference or other legal proceedings, whenever requested; execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective; and generally do everything possible to aid said assignee, its successors or assigns and nominees to obtain and enforce proper patent protection for said invention or inventions in any country.
