ASSIGNMENT

WHEREAS, we, Baowei Fei and Robert Gikleson of Lyndhurst, County of Cuyahoga, and State of Ohio; and of Cleveland Heights, County of Cuyahoga, and State of Ohio respectively, have made new and useful improvements in **Systems and Methods for Generating Images for Identifying Diseases**, for which application for Letters Patent of the United States has been filed on 9 May 2008 under Serial No. 12/118,232; and

WHEREAS, Case Western Reserve University, a tax-exempt nonprofit organization duly organized and existing under the laws of the State of Ohio, with a place of business at 10900 Euclid Avenue, Cleveland, Ohio 44106, is desirous of acquiring our entire right, title and interest in and to the said invention, and to the said application and any Letters Patent that may issue thereon;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we hereby sell and assign to the said Case Western Reserve University, its successors and assigns, our entire right, title and interest in and to the said invention and in to the said application and all patents which may be granted therefore, and all divisions, reissues, substitutions, continuations, and extensions thereof; and we hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents for said invention, or patent resulting therefrom, insofar as our interest is concerned, to the said Case Western Reserve University, as assignee of our entire right, title and interest.

We also hereby sell and assign to Case Western Reserve University, its successors and assigns, our foreign rights to the invention disclosed in said application, in all countries of the world, including but not limited to, the right to file applications and obtain patents under the terms of the International Convention for the Protection of Industrial Property, and of the European Patent Convention, and further agree to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such patent rights.

We hereby further agree that we will communicate to said Case Western Reserve University, or to its successors, assigns, and legal representatives, any facts known to me respecting said invention, and at the expense of said assignee company, testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue and substitute applications, make all lawful oaths, and generally do everything possible to aid said Case Western Reserve University, its successors, assigns and nominees to obtain and enforce proper patent protection for said invention in all countries.

We hereby further authorize and direct the attorneys of record to insert the serial number and filing date of said application now identified by the attorney docket number and title set forth above as soon as the same shall have been made known to them by the United States Patent and Trademark Office.
