CONFIRMATORY ASSIGNMENT

This Assignment is made by **Charles G. Hutter III** of Carson City, Nevada, Assignor, to **Physical Systems, Inc.**, a Colorado corporation, Assignee, having a place of business at 2151 Lockheed Way, Carson City, Nevada 89706.

WHEREAS, Assignor has invented a new and useful **STANDOFF ATTACHMENT WITH INTERNAL NUT**, for which an application for United States Letters Patent was filed on August 9, 2006 and assigned Serial No. 11/463,331; and

WHEREAS, Assignor believes himself to be the original, first and sole inventor of the invention disclosed and claimed in said application for Letters Patent; and

WHEREAS, Assignor has previously assigned the entire right, title and interest in and to said application for Letters Patent to Assignee, as of August 9, 2006; and

WHEREAS, Assignee desires to confirm said previous assignment of, and to acquire by formal recordable assignment, the entire right, title and interest in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States and throughout the world, including but not limited to Canada and Europe;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby confirms the prior assignment to, and hereby sells, assigns, and transfers to Assignee, the entire right, title, and interest in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States and throughout the world, including but not limited to Canada and Europe, including the right to file foreign applications directly in the name of the

Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties, or otherwise.

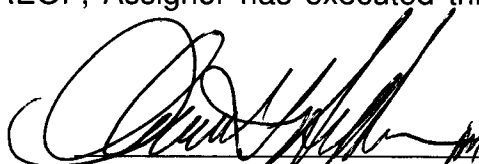

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Letters Patent in the United States and throughout the world for said invention, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said invention, said application, and any Letters Patent granted for said invention in the United States and throughout the world.

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on said application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said invention.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the date written below.

ASSIGNOR:
