OP \$40.00 12161037

and other good and valuable consideration, we, the assignors, by these presents do sell, assign, and transfer unto said assignee, its assigns and legal representatives, the entire right, title and interest in and to said invention for the United States and its territories, and in and to said Letters Patent, continuations, divisions, reissues and extensions thereof in the United States, and hereby request that said Letters Patent issue accordingly.

For said considerations, we, the assignors, agree to execute all papers that may be necessary to file applications in the United States for said invention and to assign the same to said assignee or any assignee acquiring title to said invention, and to execute any other papers that may be needed in connection with filing said applications and securing patents thereon.

In Testimony whereof, this assignment is being executed:
