**CONFIRMATORY ASSIGNMENT{PRIVATE }**

Whereas, I, Anthony SHAW, citizen of Canada, residing at 337 Queenston Street, Winnipeg, Manitoba, Canada, R3N 0W9, in the course of my work at and/or for the National Research Council of Canada have made an invention; and

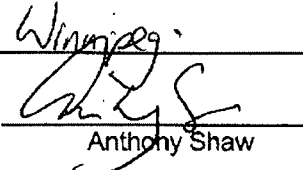

Whereas **National Research Council of Canada**, a body corporate under the *National Research Council Act* by the Parliament of Canada, and situated in the city of Ottawa, Province of Ontario, Canada, is my employer and/or maintains facilities or equipment I used in making this invention, and is the owner of my rights in the invention by action of law, namely s. 3 of *The Public Servants Inventions Act* of Canada, or by agreement;

NOW, THEREFORE, in consideration of having been provided with an opportunity to participate in scientific research at the National Research Council of Canada and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, Anthony SHAW, did transfer to the National Research Council of Canada, and hereby confirm said transfer, the legal ownership of my full and exclusive right, including the right to make application for Letters Patent, the right to claim priority to said application for Letters Patent, the right to file foreign applications under the provisions of the International Convention and national laws, the right to file any divisional and continuation applications and the full and exclusive right in and to said divisional and continuation applications, for the territory of Canada and the United States of America and all other countries, in and to the said invention as described in my Report of an Invention Pursuant to Section 4 of *The Public Servants Inventions Act* and Section 2 of *The Public Servants Inventions Regulations* dated June 5, 2007 and entitled

**Rapid, reagent-free diagnosis of the failure of passive transfer of immunity;**  
and I hereby request the Commissioner of Patents and Trademarks to issue any Letters Patent, as far as my rights are concerned, to National Research Council of Canada, as the assignee, for the sole behoof of said National Research Council of Canada, and its legal representatives, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me in the event that ownership rested with me, the inventor. In addition, I confirm that the National Research Council of Canada has full rights to abandon my invention and any related patents or patent applications or any aspect thereof in any and all jurisdictions at its sole discretion and without providing compensation to me.

The inventor signing this document acknowledges that, except as explicitly noted herein, his entire inventive contribution made toward this invention was completed in the course of his work with and/or for the National Research Council of Canada and the inventor has not granted or purported to grant rights in his invention to any other party or organization at any time.

This document has been read and understood prior to signature. Receipt of sufficient opportunity to seek clarification of any concerns is acknowledged.

Executed this 15 day of July, 2008 at Winnipeg.  
  
Anthony Shaw
