ASSIGNMENT

This Assignment made by, **Dennis Michael Marcus**, a citizen of the United States of America, residing 576 Firestone Place, City of Martinez, County of Columbia, State of Georgia, 30907, hereinafter referred to as "ASSIGNOR".

WITNESSETH: That,

WHEREAS, I as a co-inventor of certain new and useful improvements which are disclosed in the invention entitled: METHODS AND COMPOSITIONS FOR TREATMENT OF MACULAR AND RETINAL DISEASE, for which we have made a non-provisional application for Letters Patent of the United States, Application Serial No. 10/639,972, filed August 13, 2003; and

WHEREAS, MEDICAL COLLEGE OF GEORGIA RESEARCH INSTITUTE, INC., a public body corporate established under the laws of the State of Georgia and having a principal operation at 1120 15th Street, City of Augusta, County of Richmond, State of Georgia, 30912-4810, hereinafter referred to as "ASSIGNEE", is desirous of acquiring the entire right, title and interest of **Dennis M. Marcus** in and to said invention as described in the above-referenced United States Patent Application, and any and all Letters patent which shall be granted therefor;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the said ASSIGNOR, have sold, assigned, transferred and set over unto the said ASSIGNEE, its successors and assigns, the ASSIGNOR'S entire right, title and interest in and to the above-mentioned application and invention and in and

to any and all Letters Patent of the United States which may hereafter be granted therefore, and in any and to any and all continuations, continuations-in-part, substitutions, divisions or reissues of said Letters Patent, the same to be held and enjoyed by the said ASSIGNEE, for its interest, and for its own use and behalf, and the use and behalf of its successors and assigns, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale not been made.

And for the consideration aforesaid, I hereby covenant and agree to and with the said ASSIGNEE, its successors and assigns, that at the time of the execution and delivery of these presents I am the lawful owner of an undivided right, title and interest in and to the invention, application and Letters Patent above-mentioned and that the same are unencumbered, and that I have good right and lawful authority to sell and convey the same in the manner herein set forth.

And for the consideration aforesaid, I hereby covenant and agree to and with the said ASSIGNEE, its successors and assigns, that I will, whenever its counsel or the counsel of its successors and assigns, learned in the law, shall advise that an amendment, division continuation, continuation-in-part, or substitution of, or in any other proceeding in connection with said application, including interference proceedings, is lawful and desirable, sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention, or for the reissue of the same without charge to said ASSIGNEE, its successors or assigns, but at its or their expense.

I hereby request the Assistant Commissioner for Patents to issue the Letters Patent in accordance with this instrument.

For the consideration aforesaid, I have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, assigns, or nominee, the entire right, title and interest of **Dennis M. Marcus** in and to any and all Letters Patent for said invention which may be granted in countries foreign to the United States and in and to any application for Letters Patent which may be filed for said invention in countries foreign to the United States and in and to the invention described in said application; and I hereby authorize and empower the said ASSIGNEE, its successors, assigns or nominees to apply for Letters Patent or other form of protection on said invention in its own name or in the name of its successor, assignee, or nominee, in any and all countries where it may desire to file such application and where said application may be filed by another than the inventor; and I hereby covenant and agree to sign all papers and drawings, take all rightful oaths, and to do all acts necessary or required to be done for procurement of Letters Patent, or other form of protection, for said invention or inventions in countries foreign to the United States, and for further inventing or confirming the right and title therein to the ASSIGNEE, its successor, assignee, or nominee, without charge to said ASSIGNEE, its successor, assignee or nominee, but at its or their expense.

IN WITNESS WHEREOF, I have hereunto set our hands and seals on the date
