Title: Vapor Augmented Heatsink With Multi-
Wick Structure

WHEREAS, **Convergence Technologies (USA), LLC**, a corporation organized and existing under the laws of Virginia, having its principal place of business at 11874 Sunrise Valley Drive, Suite 101, Reston, Virginia 20191-3324, (hereinafter referred to as "Assignee"), is desirous of acquiring: the entire right, title, and interest in the United States in and to said invention and said application; the entire right, title, and interest in and to any Letters Patent or Patents in the United States to be obtained for said invention or said application; the entire right, title, and interest in and to any applications for Letters Patent in the United States claiming priority to said application; the right to file applications in the United States on said invention; the right to recover damages, including provisional or other royalties for prior infringements of said application; and the entire right, title, and interest in and to all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States based on said invention or said application.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor has sold, assigned, transferred, and set over, and by these presents does sell, assign, transfer, and set over, unto the Assignee, its successors, legal representatives, and assigns: the entire right, title, and interest in the United States in and to said invention and said application; the entire right, title, and interest in and to any and all Letters Patent or Patents in the United States to be obtained for said invention and said application; the entire right, title and interest in and to any applications for Letters Patent in the United States, including divisions, continuations, and continuations-in-part of said application; the right to file applications in the United States on said invention; the right to recover damages, including provisional or other royalties for prior infringements of said application; the entire right, title and interest in and to any and all reissues and extensions of said patent, and all rights under the Hague Convention, the Paris Convention for the Protection of Industrial Property, and under the Patent Cooperation Treaty, the same to be held and enjoyed by the Assignee, for its own use and behalf and the use and behalf of its successors, legal representatives, and assigns, to the

full end of the term or terms for which Letters Patent or Patents may be granted as fully and entirely as the same would have been held and enjoyed by the Assignor had this sale and assignment not been made;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns, that, at the time of execution and delivery of these presents, the Assignor is the sole and lawful owner of the entire right, title, and interest in and to said invention, and said application, and that the same are unencumbered, and that the Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns that the Assignor will, whenever counsel of the Assignee, or the counsel of its successors, legal representatives, and assigns, shall advise that any proceeding in connection with said invention, said application, said patent(s), any application claiming priority to said application, any reissue or extension of said patent(s), and any United States Letters Patent or Patents for said invention or said application, including interference proceedings, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent or Patents for said invention, without charge to the Assignee, its successors, legal representatives, and assigns, but at the cost and expense of the Assignee, its successors, legal representatives, and assigns;

AND the Assignor hereby requests the Commissioner of Patents to issue any and all aforementioned patent(s) of the United States to the Assignee, as the Assignee of said invention and the Letters Patent to be issued thereon for the sole use and behalf of the Assignee, its successors, legal representatives, and assigns.
