## ASSIGNMENT AND AGREEMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, JAMES L. BEAVERS, JR. of Prescott, AZ, has sold, assigned, and transferred, and does hereby sell, assign, and transfer unto GLOBAL BUILDING SYSTEMS, INC. (GBSI), an Arizona corporation, and its successors, assigns, and legal representatives, the entire right, title, and interest for the United States of America in and to certain invention(s) entitled **METHOD AND APPARATUS FOR ASSEMBLING STRONG, LIGHTWEIGHT THERMAL PANEL AND INSULATED BUILDING STRUCTURE**, as more fully described in U.S. Patent Application No. 11/159,864, filed June 23, 2005, together with the entire right, title and interest in and to the application(s) for Letters Patent, and upon any continuation, division, reissue, reexamination, extension, renewal, or substitute thereof, and in and to any Letters Patent which may be issued upon the application(s).

JAMES L. BEAVERS, JR. hereby also sells, assigns, and transfers unto GBSI, his entire right, title, and interest in and to the invention(s), application(s) for patent, and any patent which may be issued upon the application(s), in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of the invention(s), application(s) for patent, and issued patent(s) in foreign countries. JAMES L. BEAVERS, JR. authorizes GBSI to apply for patent in foreign countries directly in its own name, and to claim the priority of the filing date of any application for patent in any country under the provisions of any and all international conventions and treaties.

JAMES L. BEAVERS, JR. hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States of America to issue Letters Patent upon the aforesaid application, continuation, division, reissue, reexamination, extension, renewal, or substitute, to GBSI, for the sole use and behalf of GBSI, its successors, assigns, and legal representatives, for the full term for which the Letters Patent may be granted, the same as would have been held and enjoyed by JAMES L. BEAVERS, JR. had this assignment not been made. JAMES L. BEAVERS, JR. authorizes and requests the equivalent authorities in foreign countries to issue the patents of their respective countries to and in the name of GBSI.

JAMES L. BEAVERS, JR. agrees that, when requested, JAMES L. BEAVERS, JR. will without charge to GBSI, but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable, and convenient for applying, securing, and maintaining patent(s) for the invention(s) in any and all countries and for vesting title thereto in GBSI, its successors, assigns, and legal representatives or nominees.

JAMES L. BEAVERS, JR. covenants with GBSI, its successors, assigns, and legal representatives that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license, or other encumbrance.
