WHEREAS, ASSIGNEE is desirous of acquiring ASSIGNOR's entire rights, title and interest in and to the invention, improvements and patent rights;

NOW THEREFORE, for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, ASSIGNOR hereby, without reservations:

1. Assigns, transfers and conveys to ASSIGNEE the ASSIGNORS' entire right, title, and interest in and to said invention and discoveries, said application for Letters Patent of the United States of America, any and all other applications for Letters Patent on said invention and discoveries in any and all countries including, without limitation, divisional, renewal, substitute, continuation, international PCT and Convention applications based in whole or in part upon said invention or discoveries, or upon said application, and any and all Letters Patent, reissues, and extensions of Letters Patent granted for said invention and discoveries or upon said application, and every priority right that is or may be predicated upon or arise from said invention, said discoveries, said application, and said Letters Patent.

2. Authorizes ASSIGNEE to file the patent application in any or all countries for said invention and discoveries in my name or in the name of ASSIGNEE or otherwise as ASSIGNEE may deem advisable, under an International Convention or otherwise.

3. Authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments, regional authorities, international organizations and others to issue or transfer all said Letters Patent to ASSIGNEE, as assignee of the entire right, title, and interest therein or otherwise as ASSIGNEE may direct.

4. Warrants that ASSIGNOR has not conveyed to others any right, title, or interest in said invention, discoveries, applications, or patents or any license to use the same or to make, use, or sell anything embodying or utilizing any of said invention or discoveries; that I have good right to assign the same to ASSIGNEE without encumbrance; and that I am aware of no claim to the contrary.

5. Bind ASSIGNOR's heirs, legal representatives, and assigns, as well as ASSIGNOR, to do, upon ASSIGNEE's request and at ASSIGNEE's expense, but without additional consideration to ASSIGNOR, all acts reasonably serving to assure that the said invention and discoveries, the said patent application, and the said Letters Patent shall be held and enjoyed by ASSIGNEE as fully and entirely as the same could have been held and enjoyed by me, my heirs, legal representatives, and assigns if this assignment had not been made; and particularly

to execute and deliver to ASSIGNEE all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by ASSIGNEE; to communicate to ASSIGNEE all facts known to me relating to said invention and discoveries or the history thereof; to furnish ASSIGNEE with any and all documents, photographs, models, samples, and other physical exhibits in my control or in the control of my heirs, legal representatives, or assigns which may be useful for establishing the facts of my conceptions, disclosures, and reduction to practice of said invention and discoveries; and to testify to the same in any interference, arbitration, or litigation.
