## ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, M.H. Segan Limited Partnership, through its undersigned representative (hereinafter referred to as "ASSIGNOR"):

Hereby sells, assigns and transfers to SEGAN LLC (hereinafter referred to as "ASSIGNEE"), a limited liability company of the State of New York, having a place of business at 77 Britton Lane, Mt. Kisco, New York 10549, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, including the right to sue for past damages (if any), in and to the inventions which are described and claimed in:

- a) The applications for United States Letters Patent identified in Exhibit A hereto;
- b) The issued United States Letters Patent identified in Exhibit B hereto; and
- c) The issued United States Design Patents identified in Exhibit C hereto

(collectively: "the Patents");

and in and to the Patents, and any and all divisional, continuing, substitute, renewal, reissue, and all other applications for patents which have been or shall be filed in the United States and all foreign countries on said inventions; and in and to all original, reissued and other patents and certificates of invention which have been or shall be issued in the United States and all foreign countries on said inventions;

Agree that said Assignee may apply for and receive Letters Patent for said inventions in its own name, and that, when requested, without further consideration from or charge to, but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out

in good faith the intent and purpose of this assignment, Assignor will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said inventions and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the Assignor.
