## Assignment of Patent Application

WHEREAS, WE

**Mary L. Jendrucko, Sequim, Washington, USA and  
Paul J. Jendrucko, Sequim, Washington, USA**

have invented certain new and useful improvements which are disclosed in the following patent application: **United States Regular US Patent Application SN 11/11/083,774**, filed on March 17, 2005, entitled **"Aromatherapy Delivery System"**; said application being identified by **Attorney's Docket No. 7182-002US** in the law offices of the Innovation Law Group, Ltd., 237 North Sequim Avenue, Sequim, WA 98382, USA, c/o Jacques M. Dulin, Esq., Reg. No. 24,067; and

WHEREAS, **Sequim Lavender Company, LLC**, (hereinafter referred to as "ASSIGNEE") a corporation of Washington, having a place of business at 503 Guiles Road, Sequim, WA 98362, USA, is desirous of acquiring the entire right, title and interest in and to said invention, and in and to any Letters Patent that may be granted therefore in the United States and its territorial possessions and in any and all foreign countries;

NOW, THEREFORE, in consideration of the sum of FIVE DOLLARS (\$5.00), the receipt whereof is hereby acknowledged, and for other good and valuable consideration, WE by these presents do sell, assign and transfer unto said ASSIGNEE, the full and exclusive right to the said invention, including without limitation the above described patent application, in the United States and its territorial possessions, and in any and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions, and in any and all foreign countries and in and to any and all divisions, reissues, continuations, continuations in part, reexaminations, extensions, substitutions and renewals thereof, and in any provisional applications filed on such invention.

WE hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and the Patent Office Officials in any and all foreign countries to issue any and all of said Letters Patent, when granted, to said ASSIGNEE as the assignee of our entire right, title and interest in and to the same, for the sole use and behalf of said ASSIGNEE, its successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by us had this Assignment and sale not been made.

Further, WE agree that WE will communicate to said ASSIGNEE, or its representatives any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation in part, reexamination, extension, substitute, renewal and reissue application, execute all necessary assignment papers to cause any and all of said Letter Patent to be issued to said ASSIGNEE, make all rightful oaths, and, generally do everything possible to aid said ASSIGNEE, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and its territorial possessions and in any and all foreign countries.

WE hereby grant to ASSIGNEE and to the law firm of Innovation Law Group, Ltd., 237 North Sequim Avenue, Sequim, WA 98382, USA, the power to insert on this assignment any further identification, including the application serial number, filing date and execution date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office or with the rules of the patent offices of any foreign country for recordation of this document.

**USSN 11/083,774 filed March 17, 2005**

Assignment (continued)

Further, WE agree that this Assignment shall be effective as of the earliest of the filing date of the first filed patent application listed above or the date of our signatures below.
