ASSIGNMENT

IN CONSIDERATION OF TEN DOLLARS (\$10.00) cash in hand paid to us by **PinnacleAIS, LLC**, a corporation organized and existing under the laws of the State of Texas ("ASSIGNEE"), and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, **RYAN SITTON** ("ASSIGNOR"), having made an invention in **Asset Management Systems and Methods**, do hereby ASSIGN, SELL and CONVEY, or do hereby affirm a previous such assignment, sale, and conveyance to ASSIGNEE, its successors and assigns, the entire right, title and interest throughout the world in and to:

1. Said invention in **Asset Management Systems and Methods**;
2. The U.S. Patent Application on said invention, filed as U.S. Patent Application No. 12/188255, filed 08/08/2008 (Attorney's File No. 1005-001.00); (attorney is authorized to fill in the application number and filing date after the USPTO assigns them), titled **Asset Management Systems and Methods**;
3. All applications for patent or like protection on said invention that have now been or may in the future be made by us or our legal representatives, including any national phase, continuation, continuation-in-part and any other utility applications that may be based on this invention, whether in the United States of America or any other place anywhere in the world;
4. All patents and like protection that have now been or may in the future be granted on said invention to us or our legal representatives, whether in the United States of America or in any other country or place anywhere in the world;
5. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, and the like of said applications and patents and like grants, including without limitation, those obtained or permissible under past, present and future laws and statutes;
6. All rights of action on account of past, present and future unauthorized use of said invention and for infringement of said patents and like protection;
7. The right in ASSIGNEE to file in its name applications for patents and like protection for said invention in any country or countries foreign to the United States; and
8. All international rights of priority associated with said invention, applications, patents and like protection;

and I covenant that I, and my heirs, legal representatives, assigns, administrators, and executors, will, at the expense of ASSIGNEE, its successors and assigns, execute all papers and perform such other acts as may be reasonably necessary to give ASSIGNEE, its successors and assigns, the full benefit of this Assignment.
