confirm our obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, our entire right, title and interest in the United States—

(1) in and to an invention entitled "LUBRICANT COMPOSITION FOR RESIN CONVEYOR AND METHOD FOR USING SAME" the specification of which was filed with my authority on April 22, 2008 as U.S. Serial No. 12/091,136 (Attorney Docket No. JD-711-US), which was a 371 U.S. National Phase filing of

International Patent Application No. PCT/US2006/042309, filed on October 26, 2006 ("PCT Application"); and

(2) in and to any United States national phase patent application based on said PCT application, in and to all other patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted;

And we hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said United States patent or patents to Assignee.
