- was filed on _____ and was given U.S. Serial No. _____;
- is filed concurrently herewith;

WHEREAS, NIKE USA, Inc., a corporation of the state of Oregon, having a place of business at One Bowerman Drive, Beaverton, Oregon 97005-6453 ("Assignee"), is desirous of confirming that it has already been assigned, or, if not already assigned, is desirous of acquiring the entire worldwide legal and beneficial right, title and interest in and to the aforesaid invention, in and to the aforesaid application and in and to any Patents, Design Registrations, Industrial Models, Industrial Designs, Petty Patents, Utility Models, Copyrights, Unregistered Design Rights, and legal equivalents thereof anywhere in the world which may be granted for said invention, including the right to claim priority of the respective United States Patent application;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do by these presents do confirm that we did (under the law of the jurisdiction(s) where the invention was conceived, reduced to practice and made, under the NIKE Employee Invention and Secrecy Agreement and/or under some other agreement with NIKE USA, Inc. including such a sale, assignment or transfer) sell, assign and transfer (or, if we have not already done so, we do hereby) sell, assign and transfer unto Assignee, its successors, legal representatives and assigns, our entire legal right including, but not limited to, our share of any and all full, exclusive and worldwide right, title and interest in and to said invention as described in said application, in and to the aforesaid application and in and to any Patents, Design Registrations, Industrial Models, Industrial Designs, Petty Patents, Utility Models, Copyrights, Unregistered Design Rights, and legal equivalents thereof anywhere in the world which may be granted for said invention and in and to any and all divisions, reissues, continuations, extensions and renewals thereof, including the right to claim priority of the respective United States Patent application;

AND WE HEREBY agree that Assignee may apply for and receive Patents, Design Registrations, Industrial Models, Industrial Designs, Petty Patents, Utility Models, Copyrights, Unregistered Design Rights, and legal equivalents thereof anywhere in the world for said invention in its own name, and we further authorize and request the Commissioner

of Patents and Trademarks or any other proper officer or agency of any country to record this assignment and issue all said Patents, Design Registrations, Industrial Models, Industrial Designs, Petty Patents, Utility Models, Copyrights, Unregistered Design Rights, and legal equivalents thereof to Assignee;

AND WE HEREBY warrant and covenant that we either had or do have the full right to convey the entire interest herein assigned at the time of the sale, assignment and transfer;

AND WE HEREBY warrant and covenant that we have not executed and will not execute any instrument or assignment in conflict herewith;

AND WE HEREBY agree to communicate to Assignee or its designated representatives any facts known to us respecting said invention, to execute all divisional, continuation, renewal, reissue and foreign applications, to sign all lawful documents and make all rightful oaths and declarations relating to said invention which Assignee considers necessary or desirable for aiding in securing and maintaining proper protection for said invention, to testify in any judicial or administrative proceeding and generally do everything possible to aid Assignee or any assignee of Assignee to obtain and enforce said Patents, Design Registrations, Industrial Models, Industrial Designs, Petty Patents, Utility Models, Copyrights, Unregistered Design Rights, and legal equivalents thereof worldwide when requested so to do by Assignee or any assignee of Assignee.
