This Agreement is made between:

RICHARD BAILEY, of 26 Pike Law Lane, Golcar, Huddersfield, HD7 4PL, United Kingdom (Hereinafter referred to as "Undersigned Inventor"); and

AIRE GROUP LIMITED, of Woodlands, Dale Street, Longwood, Huddersfield, West Yorkshire, HD3 4TG, United Kingdom (Hereinafter referred to as "Aire Group").

WHEREAS:

- A The Undersigned Inventor has been employed at and is a Director of Aire Group; and
- B In the course of this employment, the Undersigned Inventor has made an invention or inventions ("Inventions") as described in the UK Patent Application No. 0701068.9, filed on 19 January 2007 and United States Patent Application No. 60/916547, filed on 7 May 2007; and
- C The Undersigned Inventor believes that he made or contributed to the Inventions and that the Inventions, as between him and Aire Group, belong to Aire Group.

NOW THIS AGREEMENT WITNESSETH as follows:-

1. Insofar as any rights in the Invention vest with the Undersigned Inventor(s), in consideration of the sum of £1 (one pound Sterling) paid by Aire Group to the Undersigned Inventor and other good and valuable consideration, the receipts of which are hereby acknowledged, the Undersigned Inventor hereby assigns, sells, transfers, and sets over with full title guarantee any rights, title and interest he/she may have in and to the Inventions to Aire Group, its successors or assigns including the right to apply for and be granted patents or any other form of protection in respect of any country or territory in the world and including the right to claim priority from any such application.
2. Undersigned Inventor authorizes and requests the patent office or any other organization whose duty it is to issue patents or other evidence or forms of protection on Inventions to issue the same to Aire Group, in accordance with the terms of this Agreement.
3. The Undersigned Inventor hereby undertakes that he/she shall, without further consideration, but at the expense of Aire Group execute all documents and do all such acts and things as Aire Group may in their absolute discretion consider necessary or desirable to enable Patent or any other form of protection to be issued in respect of the Inventions in any part of the world and to vest the same in the name of Aire Group free from all encumbrances and to enable or to assist Aire Group to defend oppositions thereto, to maintain the same when granted, and to enforce and prosecute for the infringement thereof.
