ASSIGNMENT

WHEREAS, we, Seth Haberman, residing at 1 West 85th Street, Apt. 7C, New York, NY 10024, USA; Alex Jansen, residing at 35 River Drive South #1712, Jersey City, New Jersey 07310; Gerrit Niemeijer, residing at 23 Franklin Place, Maplewood, NJ 07040; and Richard L. Booth, residing at 65275 Matthews Road, Cambridge, Ohio 43725 collectively, the "Assignors," are the inventors of certain new and useful inventions and discoveries, disclosed in a non-provisional patent application entitled "**System and Method for Seamless Switching Through Buffering**" filed with the United States Patent and Trademark Office as U.S. Patent Application No. 12/106,825 on April 21, 2008, hereinafter, the "Application"; and

WHEREAS, Visible World, Inc., existing under the laws of the State of New York, having its principal office at 527 West 34th Street, 6th Floor, New York, NY 10001, and which, together with its successors and assigns, is hereinafter called "Assignee," is desirous of acquiring the title, rights, benefits, and privileges hereinafter recited;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors hereby assign to Assignee all of Assignors' right, title and interest in the Invention, all improvements therein, the Application and all priority rights arising therefrom, and any patents, and any reissues and extensions thereof, which issue in any country upon any patent applications which correspond with any of the following: the Application; any application that claims priority from the Application (including utility applications, divisionals, continuations, continuations-in-part, international applications or any foreign regional or national applications), or any application based in whole or in part on any of the foregoing.

Assignors agree that such Assignors and Assignors' heirs and legal representatives will, without further consideration, cooperate with Assignee in the prosecution of all of the above applications, execute, verify, acknowledge and deliver all such further papers, including applications for patents and for reissues and extensions therefor, and instruments of assignment and transfer thereof, and will communicate any facts known to Assignors relating to the Invention, to obtain or maintain or

enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignee. Assignors further agree that such Assignors will, without further compensation to Assignors during the term of such Assignors' employment by Assignee and thereafter for reasonable compensation as determined by Assignee, perform such other acts as may be reasonably required when requested by Assignee, including attending depositions, preparing and executing declarations and affidavits and testifying as a witness, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignee.
