ASSIGNMENT

IN CONSIDERATION OF TEN DOLLARS (\$10.00) cash in hand paid to us by SWI Industries, Inc. ("ASSIGNEE"), and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, Sea View Marine, Inc. ("SVM") and Raymond W. Weind ("WEIND") (collectively, "ASSIGNORS"), having made an invention in WINDSHIELD INSERT, do hereby ASSIGN, SELL, and CONVEY to said ASSIGNEE and its successors and assigns, the entire right, title, and interest throughout the world in and to:

1. Said invention in WINDHIELD INSERT;
2. United States Patent No. 7,032,533, entitled "Windshield Insert" and issued on April 25, 2006;
3. Canadian Patent Application No. 2,456,991, entitled "Windshield Insert," having been filed on April 30, 2004 and published on October 30, 2005;
4. All applications for patent or like protection on said invention that have now been or may in the future be made by us or our legal representatives, including any continuation, continuation-in-part and any other patent applications that may be based on this invention, whether in the United States of America or any other place anywhere in the world;
5. All patents and like protection that have now been or may in the future be granted on said invention to us or our legal representatives, whether in the United States of America or in any other country or place anywhere in the world;
6. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, and the like of said application and patents and like grants, including without limitation, those obtained or permissible under past, present and future laws and statutes;
7. All rights to continue prosecution and to take action with respect to said application, and to have any patent issued thereon in ASSIGNEE's name;

8. All rights of action on account of past, present and future unauthorized use of said invention and for infringement of said patents and like protection;
9. The right in ASSIGNEE to file in its name applications for patents and like protection for said invention in any country or countries foreign to the United States; and
10. All international rights of priority associated with said invention, applications, patents and like protection.

WEIND further warrants and represents that he has not previously sold, assigned, or otherwise conveyed any right or interest in or to the foregoing patent, application, or invention.

ASSIGNORS covenant that we, and our heirs, legal representatives, assigns, administrators, and executors, will, at the expense of ASSIGNEE, its successors and assigns, execute all papers and perform such other acts as may be reasonably necessary to give ASSIGNEE, its successors and assigns, the full benefit of this Assignment.

EXECUTED on the date indicated below, opposite my signature.
